

Operational Management Unit

22 April 2026 10:18

This supports Assignment 6

How organisational strategy is developed?

- Framework for implementing strategy
- How am I going to deliver the strategy within the department
- Strategy sets the broader picture - set by executive
 - Operational Management Plan is how we deliver that strategy
 - HoA over next 12 months
 - Business Plan
 - Growing the Team
 - ◆ SAR
 - ◆ QIP
 - ◆ Etc...

"The design, execution and control of operations that convert resources into desired goods and services, and implement a company's business strategy" *Online dictionary*

Vision & Values

- Vision - describes how the company will look and feel in the future
- Values - define how that organisation and its people are expected to behave

NB - Digital Learning Strategy was due in Autumn 2025 - what of my proposals impact or feed this?

Mission Statements & Values:

- Who we are
- Who our customers are
- What we do for them

An organisation must have...

Critical success factors - what it has to do right in order to fulfil its strategic intent

Objectives - Specific, measurable statements of the results it must achieve

Action Plans - Detailed plans of the activities to be undertaken with responsibilities assigned

Internal Factors:

- Physical resources
- Human resource
- Time
- Stakeholders

External Factors:

- External customers
- Suppliers
- World's prices
- External Stakeholders
- Competitors
- Legislation and regulations
- Natural Occurrences
- Economic political or social issues

Use a tool like...

PESTLE

P - Political

E - Economic

S - Social

T - Technology

L - Legislation

E - Economic

The OODA Loop

- Observe
- Orient
- Decide
- Act

Act feeds the Project

OODA Loop is constantly being used

SWOT Analysis

Strength / Weakness / Opportunities / Threats

Probability Vs Impact

- Grid top: Low, Medium, High - Impact
- Grid side: High, Medium, Low - Probability

Operational Plan must have targets

- Ensure there are targets within the Operational Plan to ensure successful implementation and impact
 - o Possibly SMART
 - o But what other target types might I set?

Strategic, Tactical and Operational Planning

QG(?)

- Strategic Planning - Executive
- Tactical Planning - Possibly at the beginning of the year
- Operational Planning - More regularly, possibly weekly / daily

Explainer - [Academic Gain Tutorials - Strategic Vs Operational Planning](#) for videos on YouTube

Formulation of High-Level Strategy

This feeds into...

Component of an Operational Plan

- Objectives
- Key Performance Indicators (KPI)
- Resources

- Legal Issues
- Reputation Damage
- Loss of Customers

Problem Solving and Decision Making Techniques

Some of the theories are better found on the CMI Platform

- [Hoshin X-Matrix](#)
 - o Check out the free templates
- RACI Matrix
 - o Respo
 - o Accou
 - o Consu
 - o Inform
- Gantt Chart
- Objectives li

Link to evaluation

Organisational Culture & Change

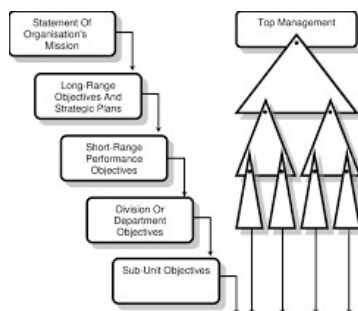

This can affect implementation

- Handy's Four Classes of Culture
 - o Power
 - o Role
 - o Task
 - o Person

- Diversity & Inclusion - from an organisational consideration
- Equality Act
- Resilience & Accountability
 - o Niagara Institute

- Build a Resilient Workforce
- Implement Operational Plans
- Resources that is within my role
- Allocating Work to Team Members
 - o Task
 - o Individual
 - o Team
- Managing Risk
- Allocating out work - There is a slide on this - **In the assignment please link some of these words**
 - o Apportionment of the tasks
 - o Volume of work
 - o Difficulty of each task
 - o Matching the task to the individual's skills and capabilities
 - o Setting stretching tasks when appropriate
 - o Involving all team members
 - o Rotating the tasks
 - o Ensuring equality and avoiding favouritism
 - o Having clear methods of communication
 - o Being Open
- Cascade of Objectives - Look this up

- Action Centred Leadership
 - o Perform the Task
 - o Maintain the Team
 - o Develop the Individuals
- Statement of Strategic Intent
- Managing Change within a Team
 - o Where are we now?
 - o Where do we need to be?
 - o How do we get there?
- ADKAR
 - o Awareness of the need of change
 - o Desire to participate and support the change
 - o Knowledge on how to change
 - o Ability to implement required skills and behaviors
 - o Reinforce,....

- [The Change Curve](#)
 - o Shock & Denial
 - o Anger and Depression
 - o Acceptance
 - o Integration
- [Kotter's 8 stage Change Model](#)
- [Nudge Theory](#)
- McKinsey's 7 S Framework
- Burke - Litwin Model - **This is a good one for connecting all different strands**
- Leavitt's Diamond - **Interlinking all the below**
 - o Structure
 - o Technology
 - o People
 - o Task
- Military Capability Model
 - o From UK Defence
